Have you had close contact with a person who is sick or has had COVID-19 in the past 14 days or is waiting for COVID-19 test results?

Have you travelled outside of Canada in the past 14 days?

Have you been told by public health or the COVID Alert app to self-isolate or stay home?

If you've answered yes to any of the questions above, STOP. Please do not enter the premises.

Remember to perform hand hygiene upon entry and follow safety precautions required when onsite.

If you experience symptoms of COVID-19, go home, self-isolate, get tested, refer to your local public health website, or call your health care provider or Telehealth Ontario at **1-866-797-0000**. Inform your manager or applicable University contact.

If you have tested positive for COVID-19, contact ehs.occhealth@utoronto.ca immediately.

UNIVERSITY OF
TORONTO

The University of Toronto is closely monitoring the COVID-19 situation. Please visit utoronto.ca for the latest updates.
